

ESPMH Young Scholar Awards 2025

The European Society for Philosophy of Medicine and Healthcare (ESPMH) is now accepting submissions for two awards for young scholars in 2025. These awards will be granted to PhD students for scientific contributions addressing ethical, epistemological, or other philosophical issues related to medicine and healthcare. Submissions must be single-authored, original, unpublished works, with a maximum word count of 6,000 words (excluding bibliography and footnotes). All papers must be written in English and submitted by March 1, 2025.

The jury, composed of ESPMH board members and possibly additional external reviewers, will assess the submissions, taking into account language challenges faced by non-native speakers.

The first-place award includes €2,000, and the second-place award €1,500, both intended to support travel and accommodation costs for attending the 37th ESPMH Conference, to be held in Manchester, United Kingdom, 13-16 August 2025. Award winners will be invited to present their work at this conference.

Please address applications and inquiries to:

Prof. Bert Gordijn

Secretary of the ESPMH (homepage <https://www.espmh.org/>)
